

BTS Network [logo]

TRANSPORTATION YOU CAN TRUST

For more than 40 years, BTS Networks has been providing safe, reliable and cost-effective transportation to individuals, groups and organizations.

Look around to see what makes us **Ontario's preferred provider** of transportation for seniors and those with special needs.

Transportation Services

From driving an individual to the doctor to ride-sharing to group travel, our affordable transportation services know no boundaries.

SERVICES

This year alone, we will provide over 750,000 rides for seniors and those with special needs.

How can we help you?

Community Areas

As a community-based organization, BTS knows the important of providing the community with safe, reliable transportation services. Some areas of the community we frequently serve:

- [Non-Profit Agencies](#) *Jump to the “organizations” section below*
- [Long-Term Care](#) *Link to wellness page*
- [Retirement Homes](#) *Link to wellness page*
- Child & Youth Programs
- New Immigrant Programs
- Meals on Wheels
- Tours & Trips

Individuals

For individuals who prefer to have someone else drive or who have a disability, our professional drivers will take you wherever you want to go. Shopping trips, medical appointments, the grocery store – [one call](#) does it all. *Link to contact us page.*

Groups

For groups large and small, BTS can cover your transportation needs with our [diversified fleet](#). *Link to fleet page.* If you're looking for consistent, regular transportation services, our ride-matching and ride-sharing programs are both great ways to travel.

Organizations

BTS offers complete transportation and management solutions to non-profits and other organizations in order to help facilitate, manage and streamline operations.

What's in it for you:

- Efficient routing using ride-matching and ride-sharing
- Advanced reporting capabilities
- 24/7 call centre with experienced team of dispatchers, CSRs and supervisors
- Trained & professional drivers *(do they have special credentials to tout?)*
- Comfortable [new vehicles](#) *Link to fleet page*
- Client & attendance tracking
- Special non-profit [rates & discounts](#) *Link to page with this info*
- [Giving-back program](#)
